Master of Ceremonies

In October 1969 members of the newly formed Waterloo County Board of Education, teaching staff and students and interested citizens officially opened Cameron Heights Collegiate Institute. That auspicious occasion marked the beginning of the history of one of Ontario's largest schools.

The new building, resting imposingly on "the heights," was of modern and functional design and a credit to the community in which it was built. Only a small part of a school, however, is made of land, bricks and mortar, for it is people who give prosaic structure and heart beat, life blood and spirit. By chance or by design, youthful student exuberance and the dedication and wisdom of teachers have over the past decade come together to make things "happen" at Cameron Heights. In a short span of ten years other schools became very aware of our active presence and the school and the community that it serves became the benefactors of this purposeful outlook. Looking back, we who have had the honour of being associated with Cameron Heights Collegiate can be justifiably proud of our brief history. Hard fought football, basketball, volleyball and hockey games will not be forgotten. The intellectual demands faced by participants in language, mathematics and history competitions have resulted in important events. Too, the excellence displayed by our top scholars and the perseverence and hard work of all students who strove steadily toward graduation have done much to enhance our image as an "excellent school." And so, with the passing of each year alumni numbers grow and we continue to build school history.

But to be retrospective for long, is to falter. As we push swiftly into the second decade of our school life, may all of us, staff and students alike, be reminded that to grow we must seek new and challenging horizons and personally dedicate ourselves to the continued success of "our school." Cameron's Marching Song in part is appropriately used to end this message . . . "We can be proud of Cameron, now and we always will."

L.S. Caughill,
Principal.

LEADERSHIP CANOE TRIP

A Toast

By the time you receive your copy of this yearbook our school will have been open ten years. Happy Birthday, Cameron, and here's a toast to your first ten years!

What does ten years mean, you wonder? Well, when the official opening ceremony took place, most of our present graduating class were eight years old, and none of today's Year Ones was old enough to be in kindergarten.

In that time roughly 5,000 students and over 200 staff members have passed through the lengthy halls of Cameron Heights. Each has had his own impact, however small, on Waterloo County's biggest school.

In July of 1969 many of us witnessed men walking on the moon's surface live on our living room televisions. A few weeks later, in the middle of a community of German origin, opened a school whose motto was Gaelic ("Sons of hounds eat raw flesh," in translation). Her student leaders were a Chief and a Tanist, her colours a highland clan tartan and her name Cameron Heights.

Since that opening ceremony we have watched on the international scene the end of several terrible wars and an upsetting political scandal to the south of us. The pollution and population crises have become the energy and declining enrolment crises.

Cameron's brief time has seen national problems arise centered on the unity of the country and on our economy.

Within Ontario the student-centered ideas of the Hall-Dennis Report have led to a full Credit System in all high schools. Meanwhile the legal drinking age has dropped to 18, then crept back up to 19.

More locally, Cameron opened as the eighth high school in K-W, but the first under the new Waterloo County Public School Board. Its first director of education is retiring this year on his and our tenth anniversary.

Shortly after our school opened, and not far away, the old City Hall and Market gave way to the New Civic Centre and Market Square. More recently, it was decided to build a magnificent new Arts Centre, also within walking range of Cameron Heights.

And, lest anyone forget (how could anyone forget?), 1969 was also the first year of Octoberfest. Although it must surely be coincidence that Cameron was born that same fall, it's in the spirit of Oktoberfest celebration that we toast all the members of the Cameron clan that have made our school the leader among county schools that she is in 1979.

First, a toast to the builders and planners. After more than a year of excavation and construction, Cameron opened with the best and most modern equipment and facilities at a cost of 6½ million dollars (those were real dollars then!) — more expensive than any school in Ontario at that time. She stands on the site of what was once a Masonic Temple, and her extensive playing fields were once part swampland. She was given a regulation-size swimming pool, an elevator for her four floors and provision for additional classrooms if needed.

And here's to the staff of Cameron Heights, past and present. Anyone who knows personally those who work on behalf of Cameron students will know of their high degree of involvement in school and community matters. This goes just as much for the support staff as for the administrators and teachers. Proof of their closeness is a number of marriages between staff members and, rumour has it, quite a number of lively social events.

Let's not forget our student leaders. You know the executive members of 1979, but think of those first officers of the school. Their job was to give direction and spirit to over 1400 students, most of whom had been drafted reluctantly from other area schools. There were no Grade 13's and no traditions to go by, but within two years Cameron established for herself a strong and winning reputation throughout the county.

So Cameron's athletes deserve a special salute. Those original escapees from Eastwood, Forest Heights, Grand River and KCI started winning

to a Decade

titles in their first year. They set a tradition for strong, spirited teams and appreciative supporters that was excitingly exemplified at Seagram Stadium this past November. That balmy evening hundreds of Cameron students and graduates, and many staff, cheered the Gaels on to an unprecedented second double football championship — what a tenth birthday present! — and only one of many to come in Cameron's biggest year yet.

But let's not lose sight of the prime reason that our school, any school, was built — for the development of young minds. In her short history Cameron Heights has indeed developed many fine young minds. Cameron has a reputation everywhere of having very high academic standards and our graduates continually gain top scholarships and awards provincially and nationally. Membership in the 80% club continues to be the highest honour our students can achieve. A look at a programme from any of our nine commencements will show the excellence of our students' work.

A special toast goes also to the members and organizers of special activities and clubs at Cameron. Not everyone can be a top scholar or a team member. But dozens of special interests and hobbies, along with a wide-open intramural programme, have made Cameron a "fun place" to be in free time.

Of course, the long lunch hour has been a big help in providing that free time.

No matter what aspect of school life we examine, we owe special recognition to Cameron graduates who carry on as outstanding leaders in the community and country. Many names come to mind of Gaels who have earned top positions in professional and amateur sports, in music, in politics, in medicine and law, and in the church. It is these students who have carried the good reputation of Cameron Heights far beyond Kitchener-Waterloo.

Cheers to the parents of our students. Whether it be at parents' night, a school game, a band concert or a commencement, we are always being made aware of how important it is for the parents of Cameron Heights students to help and encourage their children in their education.

In short, let's raise a special toast to anybody who has been concerned for Cameron and her welfare in her first ten years. It's taken a lot of thought and work and struggle on the part of many people, young and not so young, to bring Cameron to where she is now. To those many members of the Cameron FAmily, anybody who has benefitted from our school in any way at any time must now be grateful.

When Cameron graduates get together for tenth anniversary celebrations they'll talk about the past; they'll think of special times like the power failure of May, 1972, and a massive pop concert in the gym — were you at that? — and the afternoon when TV sets went up in the cafetorium so we could watch Canada's greatest moment in hockey, also back in '72. They'll think of different championship teams and school closings due to snow and some of the better assemblies, and they'll raise their own special toasts to the good old days.

But what of the future? An anniversary is a chance to look ahead as well as to look back, and staff and students of Cameron will be doing that this year, too.

Cameron is in some ways a miniature society in itself. As more people of different backgrounds and nationalities come into this area in the 1980's, it is Cameron's challenge to accept them as fellow students and to use this opportunity to share fresh outlooks on life.

Changes take place so fast today that it becomes difficult to keep up with them. But wherever possible, students must be ready to take on new experiences and to bring in changes within their own schools. Cameron Heights will be no exception to the need to keep up with change.

Because of the challenge that students face in planning careers, there is an emphasis in high school on gaining skills and knowledge for employment. But just as important for success in the 1980's will be a certain amount of judgment and wisdom, which can also be learned at a school like Cameron. There will always be many things worth doing for their own sake, not just for the sake of a dollar.

Cameron's tenth year has already been recorded in her archives as a year to remember. As we get together to "Sing Out a Song for Cameron" this year, we raise a toast also to the next ten years. May they be as memorable as the first ten. We'll see you in 1989.

The Banquet — A Bouquet To Teachers

Tomato juice, ham, baked potatoes, carrots, salad and strawberry bavarian are all part of the mellow entourage at St. Andrew's Presbyterian Church, Kitchener. It is evening, May 8, 1979, a pleasant evening of Spring. Educators of various religious persuasions are gathered to honour the 1979 recipient of the Stewart Award For Teacher Excellence.

What a meeting of minds is there as teachers, administrators, politicians, churchmen, family members and friends exchange pleasantries to the sip of warm coffee. The evening is warm too; men's jackets wear well atop chairbacks. The jocund gathering consists of top officials of both boards of education in Waterloo Region (academic and political), dignified grey haired educators, children of the honoured guest, and above all, practising classroom teachers. This is their day.

Grace is said; toasts to the Queen and Canada proposed; the feast enjoyed and the head table introduced. We are now entertained by the lusty singing from the Waterloo County Teachers' Choir. How delightful! Jim Gohl, president of District 24 O.S.S.T.F., presents the Federation's 60th jubilee trophy to Dr. F. G. Stewart for his outstanding contribution to education in Ontario. It is now time for the presentation of the Stewart Award For Teacher Excellence.

Highlights of the winner's biography and professional career are cited. A standing ovation now greets the proclamation of this year's winner — FRANCIS EDWARD PENDERGAST. Mr. Pendergast is head of the English department at Cameron Heights Collegiate Institute. Dr. Finlay Stewart bestows Frank's award with much dignity. A plague to Cameron Heights Collegiate is graciously received by its principal, Lorne Caughill. The best is still to come.

This is as much the teacher's day as Frank's day. How could anyone leave this banquet without a sense of lofty respect for the dignity and challenge of the teaching profession! Before their very eyes, scores of teachers see their representative lauded for his twenty eight continuous years as a practitioner of education. In their very presence are others who shower accolades on their profession. Indeed, the entire evening is an affirmation of the significant and fundamental role of the teacher in society. Let the glib critics of teachers ponder the greatness and challenge of this vocation!

But one should hear the highlights of the two key speakers of the evening! The Rt. Rev. Bishop P. Reding of the Diocese of Hamilton and Frank Pendergast himself. As the guest speaker of the evening, Bishop Reding presents several challenges to teachers. Two of these linger. Teachers, he says, should strive to respond to the crying needs of their students with love; a quality, the bishop reminds one, is best learned on one's knees. Love them, teachers. Secondly, teachers should inspire students with a sense of wonder. The desire to explore — to pursue learning for all its benefits, should be the end result of good teaching. Jesus Christ, the speaker posits, is perhaps the greatest teacher ever to appear on earth, and we are enjoined to emulate Him.

THE STEWART AWARD FOR TEACHER EXCELLENCE

The evening, bordering on being lengthy, gets its real purpose in hearing Frank Pendergast speak. Frank acknowledges the contribution of fellow teachers to his award, and reminds the award committee that its job could be a perpetual one; for there are enough good teachers, he says, to merit the award for many years to come. After reviewing his teaching workload in the fifties and attributing his success to lessons learned from principals, teachers and students alike, Frank poses an interesting model. Learning, he says, can be compared to a triangle. At the base angles of the triangle are the student and the teacher. At the apex is the curriculum. This philosophy carries with it the conviction of some three decades of teaching. Real learning then (if one may interpret) is the interaction between student, teacher and subject matter. What better accolade to the company of onlookers!

And so a palatable meal is followed by much food for thought. The Banquet has seen many witticisms and quips between churchman and educator alike. Thanks to the spirit of Dr. Finlay Stewart, the recognition of excellence in the teacher takes the form of an annual award. Frank is the fifth to receive such an award. I cannot think of a better bouquet for the teaching profession. Long live teacher excellence!

Departing Staff

1. *Mrs. Kelland* is moving to the West to take up residence. I am sure we will miss her ready smile and active support in the Outdoors Club, the C.I.A. and as a dance supervisor.
2. *Mrs. Smith* was the head of the Music Department while Mr. Holmes was in Germany. She has directed several school bands during her 4 years here. Mr. and Mrs. Smith will now be living in Hanover.
3. *Mrs. Kappes* is going on a year's leave of absence to raise a family. She has contributed to our school life by her involvement with the school track and field team and as a faithful cooker for our Winter Carnival.
4. *Miss Runstedtler* has been an active helper in assisting with make-up for our play production over the years, in choir assistance and as one of the main contributors to our Cameron Heights Handbook. She will continue her work in the Library at Elmira District Secondary School.
5. *Miss Ferguson* is the first teacher from Cameron Heights Collegiate to retire while actively involved as a member of our teaching staff. Miss Ferguson, a graduate of the University of Toronto who attended Copper Cliff High School, started teaching at Almonte High School in 1946. She came to Cameron Heights in 1970 and has taught English and has been a Counselor in our school for the last 9 years. Best wishes for a long retirement.
6. *Mr. Pullin* has been a vice-principal at Cameron for the past seven years. He is moving on to Waterloo-Oxford DSS. Best of luck and many thanks for your contribution to Cameron Heights.

Streets of My Mind

Dare me to take you on an inebriational travelogue into
the bowels of my metropolitan disposition.
Dare to stand out on the corner of Seventeenth and Hastings Sts.
Out in front of the terminal bar, there's a thunderbird
moving in a muskateel sky.
You've been drinking cleaning products all night,
open for suggestions!

Come down to the corner store and get a pack of cigarettes and
when we check out the street,
It looks like there's a blur drizzle down the plateglass,
as a neon swizzle stick stirrin' up the sultry night air
and a yellow biscuit of a buttery cue ball moon, rolling
maverick across an obsidian sky — as the buses go groaning
and wheezing, down on the corner I'm freezing.

On a restless boulevard at a midnight road
I'm across town from easy street,
with the tight knots of moviegoers and out-of-towners on the
stroll and the buildings towering high above, lit like
black dice. All the used car salesmen dressed up in Purina
Checkerboard slacks.

Dare to come with me on an inebriated stroll to use parking
meters as walking sticks under a pin cushion sky.
Come with me over to Bill's Pool and Snooker.
"It's a nickel after two."
In the cobalt steel blue dream smoke-factory air
the radio groans out the hit parade while double
knit characters have AM-FM dreams.
And the chalk squeaked, the floorboards creaked.
Jack Chance leaning up against a Wurlitzer and eyeballing out
a five ball combination shot.
Impossible you say? hard to believe?, perhaps out of the
realm of possibility? no!
He's stretching out long tawny fingers across a cool
green felt, with a full table railshot that's no sweat.

Now it's time that the sun comes crawling yellow out of a manhole at the foot of Seventeenth St.
Into a traffic jam session — a rhapsody of the impending
evening.
It looks like this is where the journey ends, because I'm
looking for an emotional investment with romantic dividends.
But you can rendezvous here on the streets. I'm sure
to be here for another smashed weekend.

Approach of Summer

There came a rainbow
but it was made by
Mikey's finger
over the garden hose
fountain of sparkles
and Jimmy's plastic army men
with handkerchiefs as parachutes
fell from the crab-apple tree
out front
and Julia
fell off her tricycle
(which was really a batmobile)
and skinned her knee
but Mother's healing kiss
exercised its pain
and Stephen
was our friend for the day
because he caught Jimmy's army men
and stared in mystified amazement
at Mikey's rainbow.

He Waits

In the silence
of a white room
he waits.

Pacing the wooden floor
in an attempt to hasten time
he waits.

A man in white appears
a smile on his face
but death in his eyes.

He waits . . .

In the silence
of a white room
he knows.

THE SOLDIER

His face expresses fear, anger and hope
Weariness flows through the body
The morning cold causes the bones to shiver
He is tired and tries to forget home.

Ear-piercing screeches filter through the air.
Barely hearing the command he dives for cover
Poised in position he waits, alert and aware
The planes are in range now.

The enemy has opened fire
He shoots back using frost-bitten fingers
Every fibre in his body is full of sleep
But his mind urges the muscles to react.

The day grows on as the degrees drop
The soldier does not understand anymore
His legs and arms are leadened with cold
Face turned down in the snow, warmth and rest has come his way.

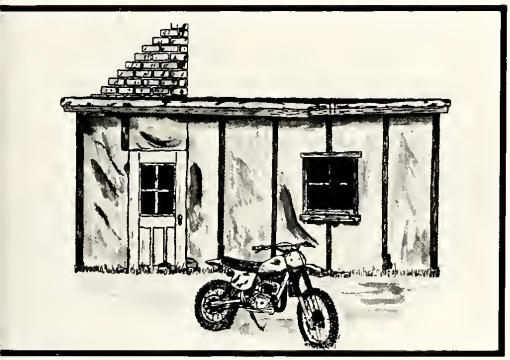
THE RACE

— By Carl Johnson

Brother and sister they could have been,
Two fast cars with the same blue sheen.
A sixty-eight Camaro and a seventy-one Vette,
This was the first time their drivers had met.
The Camaro's driver had a reputation at stake,
For no one had beaten him prior to this date.
He had longed for weeks to race this Corvette,
'Cause perhaps this would be his closest drag yet.
Within the Camaro back in the rear seat,
Were a couple of friends who dreaded this meet.
They begged the man who sat at the wheel,
To respect their fears and call off this deal.
The driver explained it would be all right,
As there were no police or traffic in sight.
So the cars sat there waiting for the light to change,
As the engines were revved to a deafening range.
Nervous seconds just before green,
The Camaro sounds wild, the Corvette mean.
Pleadings from the rear come once more,
But unnoticed they go, lost in the roar.
The light turns green the race is on,
Accelerators floored and sanity gone.
Clutches popped, all that's left to be seen,
Are four black stripes where tires once had been.



Tachometer rising, rising fast,
A shift to second, another blast.
The Camaro leads but the race is tight,
Then the howl of engines is drowned by screams of fright.
Driven on by the fear of losing,
Despite the noise of screams confusing.
Blows a shift going into third,
Grinding gears and a shrill whine heard.
With this mistake he loses face,
Gears down to second and forgets the race.
The friends at back thought relief at last,
Until the Vette went roaring past.
Seeing the tail lights made him think,
Of the reputation about to sink.
Reborn hope, the pedal floored once more,
Winds out in second and up to fourth.
Caught up to the Vette doing a hundred and ten,
And sure enough the screams returned again.
He finally gave in and blew the race,
Abruptly geared down and found a parking space.
For twenty minutes the car sat there,
While inside the driver sweared.
He cursed at the friends and gave them hell,
For that was the night his reputation fell.

— Dedicated to,
Kamaro Ken

The Moon

Introducing the morning, I shadow the sun
Some say I lead; most say I follow

I tease the leaves with flickers of light
Wishing to break the darkness, I only reflect

Yet, the power is present to pull in the tides
So constant and always so accepted

Once in a while, I shock the bored world
by hiding for a couple of hours

I provide romance for young lovers on star-struck nights
And memories for old happy couples

Man became curious, wanted a great leap
I proved the aim, they jumped

Now I'm ignored and isolated by the bleakness
I have learned my lesson

I am the lonely moon

Hallowe'en Night

This year he would be ready for them
He floured his face to a silly, sickly pale,
then smeared the charcoal around his empty eyes.
He streaked his cheek with a bloody line of lipstick
Leading to the six stitches drawn near his shadowed temple.
Yes, he would be ready for them
Searching his scalp with his formidable fingernails,
he greased his hair and arranged it madly.
Then he dented his black cape,
Slipped in the jogged mouthpiece,
and gave a gruesome grin.

A merry goblin skipped up the street
and turned into a darkened driveway,
half-coaxing a shy, little witch
burdened with her broom.
They rang the doorbell,
waited in anticipation,
shopping bags and eyes wide open.

He heard the doorbell ring.
He was ready for them.
He opened the door,
dangled his hands above his head,
and thrust his neck forward.
He coughed, with cold eyes,
a sinister laugh, complete with hallow echoes.

The goblin fainted.
The little witch turned and ran, frenzied,
Screaming in terror like she had never screamed before.
The passing car knocked her down.
The screaming stopped,
But,
The laughing didn't.

SUICIDE

At three o'clock a.m. he tucked himself in,
his father snoring soundly.
Then, on the back of a pack of matches,
he tried another poem
And he called it "Absolutely Nothing"
'cause that's what it was all about.
And he gave himself an "A"
And a slash on each damp wrist.
And he hung it on the bathroom door
Because he couldn't make it to the kitchen.

Tripped out on heroin
And inside his head
A spider and web

BACK ROW (L to R); Laura McComb, Paul Hauk, John Glass, Wendy Haidle FRONT ROW (L to R): Rob Baillie, Tom O'Hara, Bryan Jolly

The Camera Club held meetings on Tuesdays. It covered many school events and took pictures for the yearbook and displays throughout the school. Many members were able to achieve a greater understanding and appreciation of photography. Some club members reportedly gained valuable darkroom experience.

CAMERA CLUB

GEM AND MINERAL CLUB

Over the year, our club had many meetings and outings. We originally met to trade, buy, and sell our extra samples and to exchange information about good collecting areas. This lead to several outings which included trips to a Dundas quarry, the Royal Ontario Museum, the Science Centre, the University of Waterloo, and others.

Although our club lacked in numbers, there was no lack of enthusiasm and fun was had by all.

Left to Right: Roger Banderob, Joy Barlow, Mr. Anderson, Laurie McNab, Mark Timm, Dave Hopkinson.

Left to Right: Olive Hinson, Cheryl Kope, Roberta Graetsch, Frances Keogh, Caroline Anderson, Gaby Beyer
ABSENT: Margo Bomhower, James Bruyn, Sigrid Haussler, Denise Mustin, Olga Pentzos

The members of the Library Club are student volunteers who assist in the work of the library in such tasks as circulation, shelving and retrieving materials, sorting and filing vertical file pamphlets and clippings. A large vote of thanks is due to these students; the library would have difficulty functioning without them.

Back Row: Yih Wah Kan, Nandor Kosza, Karl Dangberg, Tommi Haapanen, Mr. Thompson, Lester Kienapple, Ron Clarke, Mike Stuebbing. Front Row: James Bruyn, Tony Mikac, John Mulligan, Jim Buckingham, Tom Miller. Absent: Mr. Hummel, Robert Lynn.

CHESS CLUB

The chess team made up of Nandor Kosza, Karl Dangberg, Mike Hummel, and Charlie Valaro has done remarkably well. We placed second in the Waterloo-Wellington chess league and have good chances in winning future tournaments.

Back Row: Mr. Donnelly, Sponsor. Front Row: Left to Right: Brian Barron, Bob Price, Dennis Fletcher, Wendy Haidle, Ivan Jurchuk. Absent: Anne Marie Hubbard.

The stage crew is responsible for setting up sound and lighting arrangements for school activities.

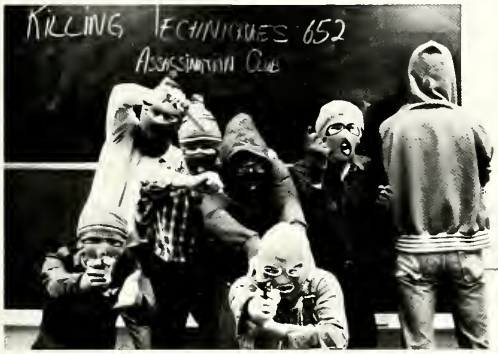
STAGE CREW

GERMAN CLUB

Some members took part in the German Contests. Karen Fister placed first in the county and 5th in the province. The German exchange student Klaus Scharrfenorth talked about and showed slides of his home town Bielefeld. The club prepared a display of German products for all German classes.

Back row (l to r): Karen Fister, Jutta Kauffeld, Paul Gross, Bettina Kruschel. Front (l to r); Mr. Rhodes, Fatima Kapasi, Brenda Doerr, Kirsten Malinowski, Linda Schulze.

Back row (l to r): Mortician (Body Bagger), Bicycle Bender (Retired), Death Machine (Pistol Pusher), Main Brain (Fund Raiser), The Hood ("Tech" Student), Front row (l to r): Black Panther (Bang Man), Mad Dog (Math Student), Absent: Madame X (Secretary), The Bearded Butcher (Cut Throat), Aimer (Hit Person), La Femme Fatale (Reconnaissance), Bouncer-Bouncer (the name says it all!) Dead (those killed in action): The Kraut Scout, Gino Pasquolli (foreign dignitary and an unsuccessful attempt)



A great deal of misconception has been aroused throughout the hallways of our momentous school as to the legal existence of the Cameron Assassination Club. Contrary to popular belief, it does exist.

The club has had a very successful year and we have kept to our objectives of never killing any teachers, VP's, or foreign dignitaries.

This little-known club combines special talents of cut-throats, ex-terrorists, sado-masochists, hit men, explosive engineers, and a few Tech Students to annihilate that which *we* believe harmful to our society.

TODAY IN 1979

WHO SPEAKS

RANDY RAWHIDE

Last year, we didn't know if TODAY was a newspaper or a joke magazine. This year, we know. It's a joke magazine. (Depending on who the editor is, next year it may shift again.) We didn't win any awards for journalism or humour, but I had fun. Thanks if you helped.

John McMullen,
Editor.

Our membership grew this year — averaging about eight to ten people per meeting and sometimes reaching sixteen or seventeen. We began to build a record and book library and it has already been well used. We were more involved with interesting activities this year, hosting both the Abominable Snowman hunt and a film evening. We invited a couple of staff members to lead discussions this year and this was highly successful. Our annual bake sale and cake raffle was again very well received. All in all, we had a good year and look forward to even more growth and involvement next year.

OUTDOORS CLUB

This year began with a camping weekend at Kelso where we biked, went caving and generally had a good time. Before the end of school we had gone horseback riding, used the rifle and archery range, gone cross country skiing, snowshoeing, cooking outside, visited the GRCA headquarters and finally bike-hiked to Elora for the final camping weekend. The group looks forward to next year and more outdoors fun.

Members: Robert Maemar, Bill Mavros, Jamie Marr, Tim Bockelkamp, Paul Bathe, Jeen Jager, Jeff Crowther, Herc Costa, Wayne Daub, Deanna Ball, Darryl Lewis, Ateq Bhatti, Kevin Henderson, Joe Bero, Dick Doerr, Sharon Ryan.

MATHEMATICS

The Junior Mathematics League was originally designed to be a way of maintaining interest through the winter months for those students who would be writing the University of Waterloo's Junior Mathematics Contest later in the spring. At the same time it would provide these students with problems not unlike those they would see on the contest. As a result all of the members of this year's team also wrote the mathematics contest. Cameron finished the regular season tied for sixth place, the last playoff spot. But the sudden-death playoff was another story. Led by Brian Barron, the team finished a strong second only two points behind the winning Grand River team. This was a very fine climax to the season and certainly forecast the excellent showing by Cameron's competitors in the junior math contest. And for the second year in a row, Cameron's Tommi Haapanen was the league's top student in his grade. In recognition of this achievement, Zehr's Markets Ltd. of Kitchener presented Tommi with a cheque for $25.

Front — L to R — Mr. McLeod, Jamie Bellinger, Dan Wilson, Mrs. Biffis. Back — L to R — Brian Barrow, Mark Davis, Tommi Haapanen, Kelly Kempel, Paul Batte, Dave Weiler.

Each spring the University of Waterloo sponsors the Canadian Junior Mathematics Contest for students in Years I, II, and III. Students from Cameron, once again did well in this competition. Our team score placed us 3rd in the Waterloo-Wellington zone, 48th in Ontario and 88th in Canada out of 1,060 schools. Tommi Haapanen was Cameron's top student, placing 2nd in the zone, 76th in Ontario and 158th in Canada of 23,625 who wrote the contest. Other members of the team were Ted Dettweiler, Brian Barron, Kelly Kempel, and Mark Gastmeier.

Front Row (L to R) — Tommi Haapanen, Ted Dettweiler, Kelly Kempel. Back Row (L to R) — Mr. Conrad, Mark Davis, Brian Barron, Mr. Kiggins.

The Senior Math Contest is written by Cameron's top year III, IV, and V students. Cameron's top 3 individuals were Mike Jensen, Dave Boettcher and George Kroll with scores of 82, 81, and 74 respectively, to give us a team score of 235.

Conductor

A DECADE OF MUSIC AT CAMERON HEIGHTS . . .

. . . has seen amazing growth and development. Our first year saw a collage of students arrive with a varied background. The senior class had 16 music students in grade eleven. Augmented by grade tens and a few grade nines, our first band of thirty-seven students started to practise.

Once a week at 8:00 A.M. our struggling forebearers came to rehearse. By Christmas of year one, the students requested a second practice time. (N.B. The band now practises Wednesday and Thursday mornings at 7:30 A.M.)

Amazingly enough this inexperienced crew entered the Waterloo Kiwanis Festival and placed first in the high school class. This established a reputation and tradition which Cameron's musical groups have never lowered.

Over the last ten years our bands and ensembles have entered a total of 50 classes in Toronto, Stratford, and Waterloo Kiwanis competitions; our results, 26 Firsts, 18 Seconds and 6 Thirds. This includes this year with 7 Firsts, 3 Seconds, and 1 Third.

Our school band loves to travel. The province of Ontario has been crossed and recrossed many times from Windsor to Ottawa including Parry Sound, Peterborough, Toronto, St. Catharines, and Wiarton. Beyond Ontario, were European jaunts to Paris and London, another last year to Germany, Austria, and Switzerland. Bucks County, Pennsylvania; Frankenmuth, Michigan; and Cuba were visited in other years.

One of the most popular groups ever at Cameron is the Oom pah Band. Dressed in dirndles and lederhosen, this group is continually in demand for its toe-tapping waltzes and polkas.

The stage band is now 6 years old and this year is our best in terms of balance and flexibility. Word is out that Maynard Ferguson would like our band to fill in for him at Ontario Place this summer.

Mr. George Holmes started the music at CHCI when it opened in 1969. Four years ago Mrs. Susan Smith joined the staff as the Music program doubled in size. Three years ago Mr. Holmes headed to Germany on loan from Waterloo County to the federal government's military base at Baden-Baden. Mrs. Smith took full control of the CHCI music scene and continued to win at Kiwanis and to travel extensively. Mr. Brian Tulloch capably assisted during these two years.

This year, 1978-79, Mrs. Smith applied for and was granted a monthly baby bonus cheque. With her teaching load reduced to one-half, her conductor's baton is now shared with Mr. Holmes who returned from his European travels.

Our school, its staff, and its students are proud of our musical forces. We salute our Musicians as they continue to strive for musical excellence.

DEBATING AND PUBLIC SPEAKING

Right to Left: Darryl Lewis, John Berges, Linda Toth, Murray Norman, Kim Sangster, Coach — Mr. Smith. Absent: Gaby Beyer and Dan Wilson.

Cameron Senior and Junior Debating teams participated in four tournaments and a workshop in 1978-79. John Berges and Darryl Lewis both won individual honours in separate Junior tournaments. Karen Kempel came very close to qualifying for the Senior All-Ontario Tournament in London. All in all, a good year, with great expectations for next year.

Right to Left: Mark Timm, Don Spencer, Robert Currie, Karen Kempel, John McMullen, Lou Mavros, Mr. Pepa. Absent: Gina Belanger. (president)

Rob placed well in all the Lion's Club and Legion Public Speaking contest in which he participated. Included was a trip to Noranda for the Lion's Club Interprovincial Public Speaking Contest. As a result of his public speaking ability Rob met Prime Minister Joe Clark during the election campaign.

Mr. Brohman, Robert Currie.

D-SOT-M
OUR SCHOOL STORE

A letter from the President

On the whole the D-Sot-M was fairly productive. Hard work and determination is what gets any business, including the school store, off the ground.

The first week in operation was quite an experience. Everyone was excited and happily involved while doing their respective jobs and the result was gratifying.

As our term went on we encountered a couple of problems which were virtually impossible to predict from the start.

Generally all departments functioned with a lot of confidence and drive; this drive resulted in a good team effort put forth by all class members. Being a fellow student and also a leader to your employees is a difficult situation and not only I, the president encountered this but the Department Heads did also. The job of organizing and assigning duties to friends is a tough one, but we were all there to generate a profit and were ready to do just that.

A problem of security became very evident in the middle part of the term. High sales volume partially compensated for this problem, although maintained mark-up dropped from 30-20%. Aside from this problem of security, the D-SOT-M staff was successful in obtaining the prime reason for business — reaching a significant "BOTTOM LINE". Our rate of return per share this year was 290%. We are very pleased with the rate of return and thank all shareholders for their support and faith in the company.

MIDGET GIRLS

FRONT — S. Steeb, C. Devrieze, O. Vrenhos, K. Schaus, L. Toth, C. Courtney. MIDDLE — C. Maelitz, L. Bonner, K. Erb, L. Spenser, S. Daub, H. Bliefert. BACK — R. Sleeman, L. Walsh, L. Hill, L. Cloran, K. Sangster, S. Bartels, D. Zilles. MISSING — C. Logan, K. Broz.

This year the girls' team played exceptionally well in their tournament at Grand River. They had a record of 6-1 and tied two other teams for top spot. They handed a very good St. Mary's team a thrilling last minute defeat.

Every member was given ample opportunity to play and all the girls responded with tremendous efforts. Congratulations girls!

FRONT ROW L. to R. — Scott Hesseltine, Jim Dimitroff, Frank Wende, Fernando Zuniga, Jim Witmer. BACK ROW L. to R — Mr. Thomson — Coach, John Neufeld, Al Steeves, Barry Wolfe, Rob Hehl, Majid Alladina, Mr. Schweitzer — Coach. ABSENT — Paul Snider, Bob MacDonald.

MIDGET BOYS

Midget Basketball is for boys 14 years and under, who would like the experience of playing competitive basketball, but don't feel they are ready to play Junior Basketball.

Our season consists of playing each of the High School teams once and then playing in an all team tournament in February.

This year our season began on December 4. Approximately 18 boys were at the first practice, however, by Christmas due to the tough practice schedule we were down to around 12 players.

On returning from the Christmas holidays we started regular league play. The team played five games, defeating Bluevale, Eastwood, and Forest Heights, but losing to Grand River and St. Jeromes.

In our final February tournament we defeated Eastwood, but lost to Grand River. The boys played super basketball all year and we hope they'll be back playing next year for the Juniors.

BASKETBALL

JUNIOR GIRLS

This year Cameron's Junior Girls Basketball Team successfully completed its second undefeated regular season. Holding first place position with 10 games to our credit, we proceeded forth into the play offs. Competition was extremely stiff this year and the outcome was unpredictable. we carried a large team and every individual player contributed an excellent effort. We pulled through the semi-finals against Bluevale, 2 games to 1, to advance to the finals. We fought hard with our opponent St. Mary's but came out on the short end with two straight losses 32-30, 32-28. We lacked some height, as our opponents carried two six foot players but we did display some excellent skill and with the many players returning next year, we hope to be "No. 1" once again! We would like to make special mention of our coach Miss Sue Morris. Without her leadership and enthusiasm, we would not have been as successful as we have been in these past three years.

BACK ROW L. TO R: — Angela Kuehn, Katie Osborne, Amy Smith, Julie Moyer, Ann Kuehn, Sandra Stebbings, Suzanne Woeller. MIDDLE L. TO R. — S. Morris, Lisa Irvin, Robyn Prange, Kathy Rennie, Lisa Campfens, Sharon Weber, Leslie-Ann Cloran (Manager). FRONT ROW L. to R. — Annette Atamaniuk, Nancy Hawthorn, Carolyn Kramer. ABSENT — Melinda Gillies (scorer-times).

GOLDEN GAELS

The 1978-79 version of the Junior Golden Gaels was a very successful one. After having won the Twin City Championship and being CWOSSA runners up in 1977-78, the Junior Gaels had a hard act to follow. This year's team composed of a mixture of returning players and rookies and as a result took a while to jell. In the exhibition season we were the consolation champions in the Wilfred Laurier University tournament, finalists in the Dundas tournament and consolation finalists in a tournament in Pickering. The regular season saw us go 10 straight games before losing to St. Jeromes. Our record of 11-1 tied us for first place. In the play-offs Cameron beat K.C.I. two games to one to advance to the finals against St. Jeromes. We were defeated two games straight there and St. Jeromes went on to become CWOSSA Champions. With an overall record of 23-8 our Golden Gaels should be very proud of their season. The graduating Juniors should shine brightly as Senior stars of the future and the returning players will enhance our chances of having an excellent season again next year.

BACK ROW — Coach Court Heinbuch, Marcel Naus, Terry Heimpel, Glen Peters, Dave Kipfer, Andy Balogh, Barrie Hummel, Dave Dimitroff, Rich Wagner, Manager Mark Dunn, Coach Roy Dahl. FRONT ROW — Trainer Geoff Goebel, Bill Libbus, Jeff Schieckoff, Marino Filiplic, Brad MacMillan. *Absent* — John Campfens.

JUNIOR BOYS

SENIOR GIRLS

BACK ROW L. TO R. — Adele Robinson, Erika Toper, Val Patterson (manager), L. Fox, Mary Osborne (co-captain), Angie Cavic. MIDDLE ROW L. TO R. — Katie Atamaniuk (co-captain), Kitty Koski, Anne Dunbar (scorer), Cecily Steeb, Joyce Jacklynn. FRONT ROW L. to R. — Brenda Shantz, Kelly Kempel.

The mighty Senior Girls Basketball team finished a close second to KCI with an 11-3 won-lost record. We had a fantastic season but lost our magic touch in the play-offs, as we were all busy dreaming about going to Rio with our baby. Special thanks are extended to Mary Osborne and Kitty Koski Inc. for their changeroom disco lessons, our CBW and Erica's successive slam dunks. Although we are losing Katie Atamanuik, Erica Toper, and Brenda Shantz, many star Junior players are moving up and we should be the powerhouse of the league next season. We'd like to thank our coach Miss Lane (oh no it's so confusing) Miss Fox for her encouragement, efforts and time.

BACK ROW L. to R. — Mr. Roy Dahl, Paul Kuntz, Frank Karai, Joe Horvath, Ralph Draws, Rich Watson, Gary Smith, Marc Dunn, Mr. Court Heinbuch. FRONT ROW L. to R. — Geof Goebel, Dale Barber, Paul Barnes, Frank Naus, Tim Devrieze.

SENIOR BOYS

The Senior Gaels experienced an exciting yet very trying season. In exhibition and tournament play the Gaels won 10 games and lost 5. League results were 4 wins and 8 losses. Many close games resulted in losses that could have gone either way. Games versus Eastwood, K.C.I. and St. Jeromes weren't decided until the final moments. Our record in the city is a tribute to the excellence of local basketball.

The intensity of play by these young men puts them in the same category with the great Gael teams of the past. It won't be long before their record will show the success these players deserve. Only good things happen to people like these who worked hard for a common goal. That goal this year was achieved: have fun, play good basketball and gain respect for self, teammates and opponents alike.

CROSS COUNTRY

FRONT ROW L. TO R. — Russ Steubing, Bill Stenton, James Wiebe, Wendy Spind, Steve Kelly, Kent Ewald. SECOND ROW L. to R. — Carrie Bomhauer, Chris Karges, Tim Yoworski, Andy Nemier, Cathy Kenyon, Kevin Henderson. BACK ROW L. TO R. — Mike Good, Alnoor Hussein, Greg Karges, Rob Zilles, Doris Zilles, Sonia Steeb, R. Dahl Coach. ABSENT — Graham Bomhauer, Jody Ford, Bruce Glebe, Tony Muhlberghuber, Tom Springall, Mike Martin, Paul Kuntz, Joey Malleck, John Sutherland.

GOLDEN GAELS

Although Cameron did not win as many championships as in other years, it was still a very successful year for the 1978 Golden Gaels. We had more people running this year than ever before, our girls have begun to challenge the cities best, and all of our boys teams were in the running for a Twin City Championship right until the end. The year began with a bang as we won all three boys divisions at the Waterloo Park meet. However as the year progressed, other teams improved and our luck changed. The Twin City Final at Grand River is the highlight of the year for area runners.

Nine schools took part and our midget boys placed third, our juniors were a very close second and our seniors were second as well. Individuals who ran in the top ten in the divisions can consider that quite an accomplishment. Cameron had many including Cathy Kenyon, Ooris Zilles, Steve Kelly, Rob Zilles, Mike Good, Greg Karges, Joey Malleck and John Sutherland.

CWOSSA consists of about 60 schools and a school must finish first or second and a runner must be in the top five to qualify for the All Ontario finals. Our midget girls placed fifth, our midget boys were 5th and our senior boys 4th. Although no teams or individuals were able to qualify for OFSAA it was still a very successful day for Cameron as a whole team. The competition was tough, the course in Owen Sound was very challenging and still, all of our athletes finished in the top half of their races.

Since this is Cameron's tenth anniversary it seems appropriate to review some of the accomplishments of our cross country teams of the past. There have been many highlights beginning with the exceptional senior boys teams of 1972 and 1973. Both these teams won Twin City Championships and in 1973 performed a feat unequalled in Twin City history, that is place 1, 2, 3 in their division. Dean Foster, Chuck Waters and Dan Higgins were the triumphant trio. Both years the team placed second in CWOSSA and in 1972 were able to finish 6th in Ontario. The following year expectations were high as we qualified for OFSAA in North Bay by placing second to a strong Elmira team in CWOSSA by only 2 points. Elmira ended up winning All-Ontario, we were fifth, weakened by illness and humbled by a couple of wrong turns.

1975 was perhaps Cameron's biggest year. The beginning of the year saw 15 midget aged boys out for the team and this depth provided our strength. At CWOSSA in Orangeville no one expected to place well. Even though no individuals placed in the top 15 we were able to finish first because of the strong showing of our runners. OFSAA only allows five representatives fr a team so the following boys travelled to Collingwood and placed a very respectful twelfth in Ontario. — Greg Karges, Dennis Paulbeskie, George Tilt, Jim Witner, and Joe McGlynn.

Throughout the last decade many individuals from Cameron can be proud of their Twin City Championships. Included in this class are Dean Foster, Greg Karges and Don Lemke. With the revival of distance running and the dedication of our students at Cameron, we can be proud of our past accomplishments and look forward to even greater successes in the years to come. KEEP RUNNING CAMERON!

HOCKEY

The hockey Gaels successfully returned to Twin City High School hockey after a one year absence. The Gaels finished in third place in the seven team league with 10 wins, 6 losses and 2 ties. The team then met Forest Heights in the semi-final playoffs, but lost the best of three series in three games.

The Gaels proved convincingly that a team need not win a championship to be champions. The team played a hard hitting brand of hockey, but their outstanding discipline and poise resulted in very few penalties. The Gaels earned respect for their class both on and off the ice throughout the season.

Coaches Mr. Bell, Mr. McLeod and Mr. Brohman may have more talented teams at Cameron in the future, but few will be as satisfying as the hockey Gaels of 1978-79.

Memories -frustration
-practices
-four goals scored on us in two minutes
-waiting two hours for a bus to show up
-the evening scrimmages with the boys — who gets who!
-our challenge to the football team and only the "brave" show up
-our terrific pizza party
-Brenda's and Kitty's trick play in the final game
-playing only one game in the rain
-NO SNOW
-arriving to play our opening game and the field isn't lined
-three coaches instead of one

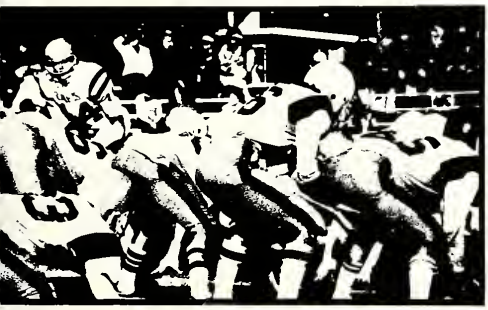
GOLDEN GAELS

This year's edition of the Cameron Junior Geals was the best Junior football team in the history of Cameron Hts. The team was undefeated in regular season play and finished in first place. The Juniors then defeated Eastwood in the semi-final 32-6 to advance to the championship against St. Jeromes. The championship game was played at Seagrams Stadium and saw the Cameron Gaels defeat St. Jeromes 29-14 to gain the Twin City Championship. Congratulations on a fine season Cameron Geals.

JUNIOR



SENIOR

The Senior Gaels football team won their third Twin City Championship by defeating a talented Eastwood team 35-7 in the championship final at Seagram Stadium.

The Gaels, throughout the year, demonstrated a potent offense which averaged 29 points per game and an aggressive defense which allowed an average of 12 points per game.

The team was led by head coach Mr. Ron Bell, and assistant coaches Mr. Jim Fisher, and Mr. Chris Thomson. The team captain was Brent Snyder, while the alternate captains were John Leffler, Kim Hillcoat, and Dave Allemang.

The Gaels possessed outstanding depth and in the year provided the winner's edge. The final game, against Eastwood, was probably the best performance ever by a Gael football team as they committed no turnovers and had only six yards in penalties called against them.

Eight members of the team made the Twin City Allstar Team. These players in alphabetical order are as follows:

Dave Allemang — Offensive Guard
Blake Atto — Offensive Halfback
Dan Dietrich — Offensive Centre
Frank Karai — Quarterback
John Leffler — Defensive Tackle
George Mulligan — Offensive Halfback
Brent Snyder — Middle Linebacker (Rover)
Mark Vandyk — Middle Linebacker

TEAM MEMBERS:
Linda Gellner, Wendy Underwood, Danny Schmidt, Carol Piotrowski, Connie Timmer. (Managers)
Kim Hillcoat, Dan Allemang, George Mulligan, Blake Atto, Chris Holgnagel, Pete Mattson, Karl Muehlgassner, Lorne Smith. Terry Leisk, Mark Vandyk, Tom Widman, Doug Brooks, John Leffler, Mike Staines, George Tilt, Brent Snyder, Terry Habermehl.
Jim Fisher (coach), Lee Woodman, Wayne DeJong, Brian Stahle, Mike Dietrich, Dan Dietrich, John Glass, Frank Karai, Rick Kowalick, Danny Matlow, Paul Wild, Don Stebbings, Nandor Kosza, Ron Bell (coach), Bernd Horn, Chris Thomson (coach), Gary McEllstrum, Joe Coyle, Alfie Brown, Doug Brohman, John Schultz.

The Gaels compiled an overall 7 wins and 1 loss record and the scores of the games were as follows:

CHCI	27	FHCI	13
CHCI	34	KCI	12
CHCI	28	BCI	0
CHCI	14	St. Jeromes	8
CHCI	49	GRCI	0

The team had a good year and reached the semi-finals. All the players played well and made C.H.C.I. a school to consider.

GOLDEN GAELS

The Senior Soccer Geals' season must be described as disappointing in comparison to its past nine seasons. For only the second time in the school's ten year history the team missed a playoff berth. However, that was only by one point, and on the last day of the regular schedule.

Highlights included a 1-0 win over KCI, a 3-1 triumph against St. Jerome's, and a 2-2 tie against Waterloo. It can be fairly said that the team suffered for lack of scoring punch up front.

Most of the regulars will be back and eager to go again in September, so we can look on this year as a building period.

In this its second year of existence, CHCI's tennis team has had an illustrious past and shows a promising future. This year Cameron placed fourth in total point standing in the Twin-City Tennis Tournament. In individual standings our mixed doubles teams have been our strength. In both years CHCI has won the Twin-City mixed doubles championship. With the appearance of many talented players each year, we are sure to see further glory come to Cameron.

Although the swim team was small we fought hard in a never ending battle to win a meet. We triumphed over Forest Heights Collegiate but were overcome by all other schools. Great support was evident from the students, and our coaches (whom we could never get into the pool). Many thanks to our timers and scorers. We hope to see more participants out next year when we will surely place first in the twin cities, eaking world records.

GOLDEN GAELS

The track and field team accumulated over two hundred points at the Twin City meet, placing fourth overall. Melinda Gillies (midget girls bronze) and Rob Zilles (junior boys silver) were individual award winners at this meet. Thirteen competitors moved on to the CWOSSA meet held in Brantford. Our CWOSSA event winners were Bill Libbus (midget boys 100m), Dave Kipfer (midget boys discus), and Melinda Gillies (midget girls 1500m). These three competitors moved on to the OFSAA Regional Track Meet in Tillsonburg, accompanied by Rob Zilles and Joe Coyle who also qualified. Our lone OFSAA participant was Melinda Gillies who ran well in her 1500m heat, but was outdistanced by some very experienced runners. All in all, it was a very successful season, with many competitors achieving personal best in competition. Our strong team performance in the midget and junior divisions, suggests that Cameron is building a powerhouse team for the future.

VOLLEYBALL

The midget girls repeated as Twin City Champions this year. They competed in three exhibition games before their final tournament. The girls smoothly defeated St. Mary's, Bluevale and W.C.I. in their tournament. They played K.C.I. in the finals winning three games to none.

FRONT ROW L to R: Chris Williams, Todd Howden, Jeff Norman, Mell Matlow, Daryl Gurney, Glen Uttley, Sue Bradley. SECOND ROW L to R: Mr. Gourlay, Tom Querin, Vic Park, Tim Herman, John Leffler, Randy Herman, George Kroll, Paul Leblanc, Kevin Perrin, Wayne Zettel, Jeff Chambers, Mr. Irvine. ABSENT: Al Sommerfeld, Ernie Stoiber, Jim Buckingham, Wendy Zettel.

This was a promising season for the Gaels Wrestling team. We started the year with a large turnout of newcomers who provided us with a solid dual meet team. As the season progressed we reached the halfway point with an unimpressive record of four wins and five losses. However, our hard work and experience began to show as we strung together eight victories in a row to enter the playoffs. We lost by one match to K.C.I. in the semi-finals, in a well wrestled contest. We then went on to defeat Eastwood ending the season in third place.

Eleven of the team qualified for the C.W.O.S.S.A. tournament held at the University of Waterloo. George Kroll placed second and went on the All-Ontario in Ottawa.

Next year should be successful with most of our team returning. We are sorry to lose John Leffler and George Kroll after their successful years with us.

Individual team honours went to:
Jeff Chambers . . . Rookie of the Year
Todd Howden . . . . . Most Improved Wrestler

WRESTLING

VOLLEYBALL

JUNIOR GIRLS

For the second year in a row, the Junior Girls Volleyball Team has won the Twin City Championship. Although they finished second in league play, they easily defeated Eastwood in the semi-finals 3-0 to go to meet the league leaders, KCI in the finals. The final match went to 5 games as the teams were very closely matched. Cameron, however, outlasted the KCI team and pulled ahead in a very exciting final game to win the championship by a score of 16-14.

The Junior Girls Team has worked very hard all season with the goal of Twin City in mind and the team spirit was very high. Eight members of this championship team graduate to the Senior Team this year while seven will stay back to form the nucleus for a very strong Junior Team again next year.

Each year, Cameron has become more of an influence in the Twin City League in volleyball and we look forward to our teams being progressively more competitive and successful in the years to come.

TEAM MEMBERS: Anne Kuehn, Kathy Rennie, Helga Bliefert, Robyn Prange, Suzanne Woeller, Sherry Roussel, Angela Kuehn, L. Fox. Heather McCulla, Lori Noble, Laurie Higgins, Julie Moyer, (captain) Linda Hill, Sally Daub, Annette Atamaniuk.

GOLDEN GAELS

This year's Junior team played extremely well after a very poor start. With only one returning starter from last year's championship team, it took until mid-season for the boys to play as a cohesive unit. Their effort carried them into the semi-finals where they demolished St. Jeromes three games straight. In the finals against KCI, they put up a good struggle but, lost. KCI went on to win the C.W.O.S.S.A. tournament. Since many players will be returning the 1979 volleyball season promises to be a good one.

Front Row (L to R): L. Woodman, J. Schieckhoff, A. Murray, B. MacDonald, J. Dimitroff, R. Pixner, M. Filiplic, J. Neufeld Back Row (L to R): L. Boterman, J. Rae, D. Martin, M. Naus, M. Halma, A. Balogh, B. McMurchy, R. Wagner, M. Douglas, Terri McMullen, scorer, R. Sleeman, coach.

JUNIOR BOYS

SENIOR GIRLS

Left to Right: Cecily Steeb, Adele Robinson, Katie Atamaniuk, Mrs. P. Kawalecki, Karen Roussel, Angie Cavic, Janet Van Ordt, Dawn Weber. Absent: Angela Maier, Angie Kok, Helen Briski.

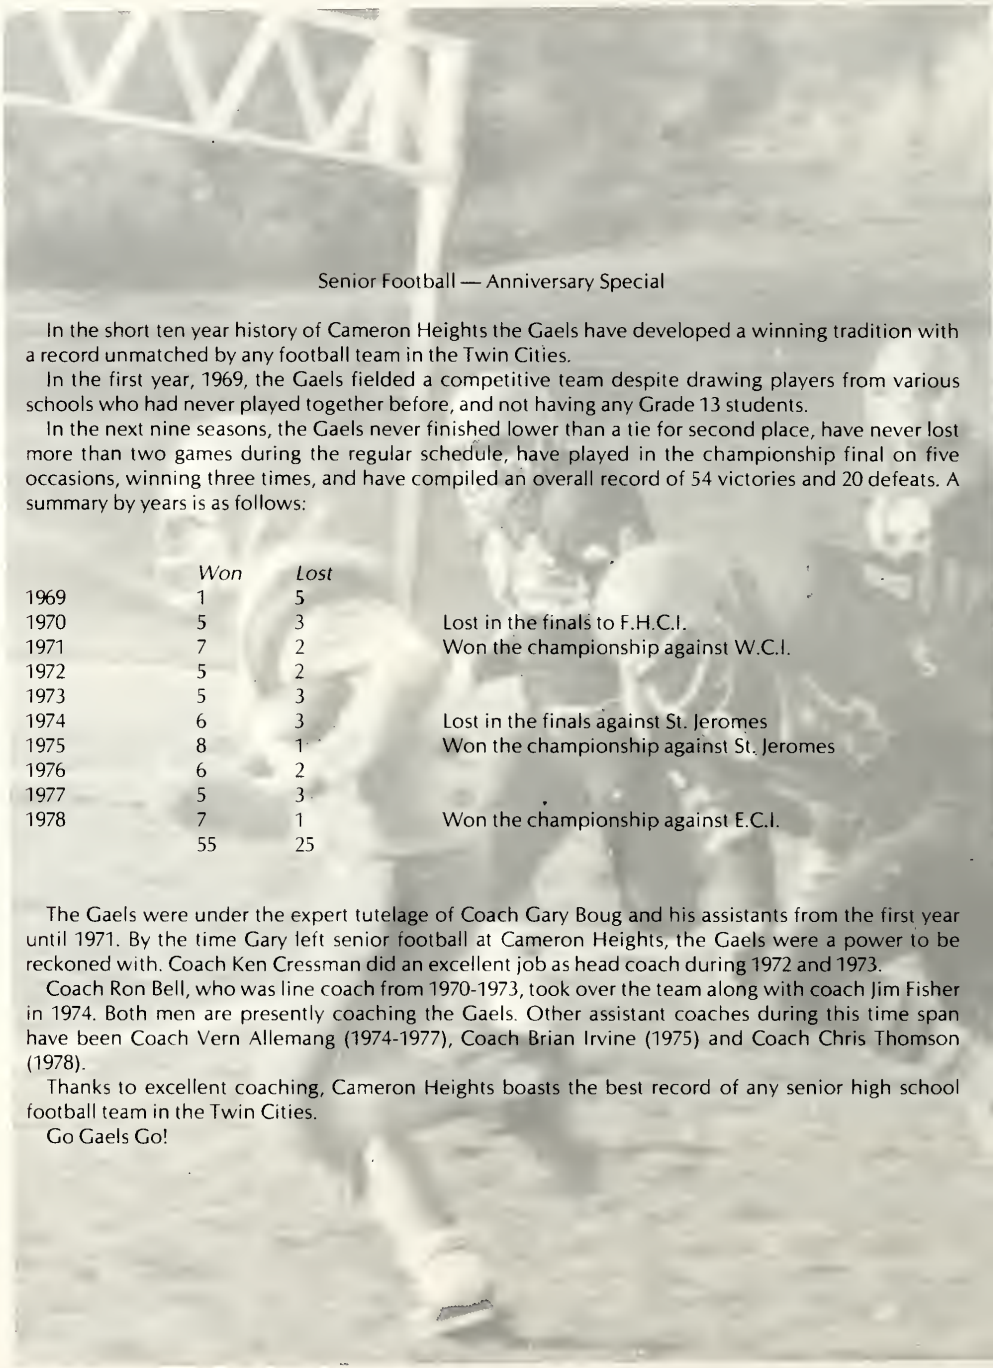
This year's senior girls' volleyball team consisted of only four veterans, with the remainder of the team graduating from the junior level. Despite this lack of experience, the team performed strongly, finishing third after regular season play, and losing to Eastwood in the semi-finals. Our improvement during the season was outstanding. A highlight of our season occurred when we advanced to the finals in the Wilfrid Laurier Invitational Tournament. We never did manage to beat the Twin City Champion KCI, but we crept closer with every match.

Prospects for next year are oustanding. In addition to our seven possible returning players, our ranks will be swelled by some fine prospects from the junior level. With our combination of skill, experience and height, next year could well be the year that Cameron claims our first senior volleyball championship.

Front Row: Mark Stahle, Dan Ritz, Gary Smith, Fortunato Restagno, Andy Mickie. Back Row: Margo Slauenwhite, Paul Icazuk, John Hall, Lloyd McGill, Joe Horrath, John Wilfort, Mr. Murdock, coach.

SENIOR BOYS

This season the Cameron Senior Boys Volleyball team found league play extremely challenging. Although, the team played well at times, the sustained effort required for a winning season was missing. A new and eager crop of juniors may provide the ingredient for a strong successful season in 1979. To all the graduating players best of luck and keep up your involvement with volleyball.



Senior Football — Anniversary Special

In the short ten year history of Cameron Heights the Gaels have developed a winning tradition with a record unmatched by any football team in the Twin Cities.

In the first year, 1969, the Gaels fielded a competitive team despite drawing players from various schools who had never played together before, and not having any Grade 13 students.

In the next nine seasons, the Gaels never finished lower than a tie for second place, have never lost more than two games during the regular schedule, have played in the championship final on five occasions, winning three times, and have compiled an overall record of 54 victories and 20 defeats. A summary by years is as follows:

	Won	*Lost*	
1969	1	5	
1970	5	3	Lost in the finals to F.H.C.I.
1971	7	2	Won the championship against W.C.I.
1972	5	2	
1973	5	3	
1974	6	3	Lost in the finals against St. Jeromes
1975	8	1	Won the championship against St. Jeromes
1976	6	2	
1977	5	3	
1978	7	1	Won the championship against E.C.I.
	55	25	

The Gaels were under the expert tutelage of Coach Gary Boug and his assistants from the first year until 1971. By the time Gary left senior football at Cameron Heights, the Gaels were a power to be reckoned with. Coach Ken Cressman did an excellent job as head coach during 1972 and 1973.

Coach Ron Bell, who was line coach from 1970-1973, took over the team along with coach Jim Fisher in 1974. Both men are presently coaching the Gaels. Other assistant coaches during this time span have been Coach Vern Allemang (1974-1977), Coach Brian Irvine (1975) and Coach Chris Thomson (1978).

Thanks to excellent coaching, Cameron Heights boasts the best record of any senior high school football team in the Twin Cities.

Go Gaels Go!

ATHLETICS AT CAMERON

Athletics at Cameron Heights over the past ten years represents an enormous amount of effort expanded by both students and coaches. All of these people had one thing in common: the desire to participate and to win. It would be beyond the scope of this writer to mention all the players or to eulogize all the events that have given Cameron its reputation as an athletic powerhouse; however I do hope to catch a few highlights — my apologies to those I missed.

The first Physical Education Staff at Cameron consisted of Gary Boug, (Head), Court Heinbuch, Bryan Young, Ken Cressman, and Chris Thomson. The Women's Staff consisted of Marg Ravis (Head), Judy Crerar, Nancy Patterson, (to become Mrs. Heinbuch) and Marty Heath (to become Mrs. Stauch). The Men's Staff was later joined by Don Morrison, Brian Irvine, Roy Dahl, Aryton Kipp, Steve Ostapchuk, (Head), and John Gourlay. The Women's Staff over the years also saw some changes. In 1969-1970 Marni Morrison arrived and became the head the next year. Other staff arrivals were Bonnie Jeffries, Maeve Richardson (to become Mrs. Connell), Lois Fox (Head), Penny Kawalecki, Ellen Horton, and Sue Morris. Three ladies have worked along with us in the pool; Lynn Orth, Julie Ough, and Brigitte Gilkinson.

The first year we fielded a full complement of teams. Some of the key players of these teams were: Billy Mihas, Bernie Ruoff, Frant Bast, Tim Wenzel, Bob McFarlane, Dave Charbonneau, Bob Toth, Willy Wagner, Judy De Meulenaire, Marilyn Dorscht and Gloria Golem. We didn't capture any championships but it was a good year: the foundation of many more years.

The following season, 1970-1971 marked our first Championship — the Junior Gaels Football team. The team was coached by Bryan Young, Court Heinbuch, and Chris Thomson. The team was led by such players as Dave Decker, Mike Mavros, Rick Kressler, Gary Watson, and Roman Czudjiowycz. The Girls Track Team also distinguished themselves by winning CWOSSA. Some of the standouts were Barb Hummel, Ann and Audrey Hiemstra and Marianne Tyrala.

In 1971-1972 the Football teams stood out. Both the Junior and the Senior Gaels were Twin City Champs. The Seniors were led by coaches Gary Boug, Ron Bell and Ken Cressmen and such players as George Juhn, Jerry Jarmolchuk, Tony Riggs, Steve Connell, Ron Kimmel, Jim Boyko, Rollie Malcolm, Colin Hoy, Wayne Coles, Jerry Pencak and Roman C. The Juniors were coached by Bryan Young with Court Heinbuch and Brian Irvine as assistants. Some of the fine players included; Ron Moncur, Barry Hillcoat, Ross Brown, Mike Connell, Sam Stouros, Al Lazauskas, Bill Halsband, Rob Gondosch and Rob McGinnis. These Junior players were to form the nucleus of Cameron winning football teams over the next few years. The Junior Basketball Gaels were Twin City Champs. They were coached by Gary Boug and Chris Thomson and key players on the team were Fred Spreitzer, Kevin Lohr, Mike Karpow and Vic Flaeras. This foursome were to prove a winning combination for Cameron. In 1974-1976, as Seniors they won Twin City and made it to the finals at CWOSSA.

1972-1973 was a year of moderate success. The Junior Girls Basketball team won the Twin City Championship with a close game over St. Mary's. The team was coached by Bonnie Jeffries. Players included; Jennette Moyer, Betty Ann Stoltz, Kathy Pryce, Sylvia Malagady, Sandy Hummel and Marlene Stoltz.

The 1973-1974 season was an up cycle in our Athletic chronology. Some of the Boys Senior Volleyball team players included Kevin Lohr, Marco Dumancic, Fred Lowrick and Marshall Curtis. Coached by Mr. Murdock the team swept everybody before them to capture the Twin City trophy. The Midget Girls coached by Miss Richardson were Twin City Champs. Outstanding individual performances were given by Pat Rigg, Ron Moncur, Mike Mavros, Tim Marks, Dave Anton and Harold Schulz.

1975-76 saw the Senior Gaels Football capture the Twin City Championship and the Girls Senior Basketball team was successful at CWOSSA. Mr. Bell, Mr. Irvine, Mr. Fisher, Mr. Allemang coached the Senior Gaels Football team. Throughout the season the coaching staff were able to get standout performances from such players as Randy Thomas, Kevin Armstrong, John Leffler, Pat Rigg, Barry Hillcoat, Rob Gondosch, Junior Morris, and Mike Connell. After losing their first game, Miss Fox and the Senior Girls Basketball team went on to win eleven straight games, finishing in first place. The team won against FHCI to win Twin City. In CWOSSA the team came out victorious. Super efforts were given by Sandy Hummel, Sylvia Malagady, Marlene Stoltz, and Angie Kuehner. The Cross Country Team was an easy CWOSSA winner.

In 1976-1977, only the Junior Girls Basketball team managed to make the headlines. They were Twin City finalists. Some of the team leaders were Cecily Steeb, Karen Henrich, Katie Atamaniuk, Angie Cavic, Julie Moyer, and Lisa Campfens.

In the year 1977-1978, the Juniors were predominant. Championships were captured by Junior Boys Volleyball and Basketball, the Junior Girls Basketball team, and the Midget Girls Volleyball team.

Finally we come to 1978-1979, our tenth year. It is probably fitting that our Football teams showed us the way. They were the powerhouses of the past and now once again Cameron Football was at its finest. Both the Seniors and the Juniors were Twin City Champs.

We had an extraordinary ten years at Cameron in the field of athletic activities.

Chris Thomson

TREE PLANTING

Ten years ago a tree was planted. Towering over the other trees, that tree has endured many changes and gained many rings of achievement. Having established strong deep roots, a sturdy trunk, numerous branches, and healthy foliage, it has granted shelter to many who have sought it under its powerful branches. Weathering the storms of time, this tree is called Cameron.

The roots of Cameron Heights are the support staff. Only with this firm foundation could the school have survived unscathed the winds of change and the sands of time. Pumping life into the tree, the support staff secured the health and strength of the school, providing the nourishment essential to steady growth.

The trunk of this tree has grown straight and sturdy. The teaching staff of Cameron Heights has always pushed upward for greater achievements, and this has produced the height and pride in the tree today. Supported by the roots, the teaching staff has provided the strong core essential to the steady and continuous flow of knowledge to the branches and leaves.

Branching from this trunk are the many groups, clubs, and teams that the teaching staff supports. These branches have grown out in all directions and are continuing to branch out, increasing shelter and support for many students, and have made Cameron Heights what it is today.

The most vital part of this tree, however, is the student body. Like the leaves of a tree they are many in number and receive the light of knowledge. The student body receives support from the branches, trunk and roots, and in return has made the tree a landmark in the community. This tree is called Cameron.

Farewell

As this evening draws to a close, we wish to say farewell. Many moments of enthusiasm, determination and love have resulted in a delightful evening dedicated to Cameron Heights. We feel that the history of this school deserves such a tribute as has been paid tonight.

At this moment, I would like to express sincere appreciation to all the people who helped make this evening a success. Darryl Lewis and Murray Norman organized the caterers. Lynn Dettweiler was responsible for the preparation of the guest list. Laurie McNab, Heather Wilson and Dianne Grimm gave up much of their time and energy to assist in all areas of the celebration. Kelly Kempel toiled long and hard lining up the entertainment and aiding the hosts. Best wishes, Kelly, for next year's event! Marie Smith, Bob Baillie, Paul Hauck and Ann Pappert contributed photography and artwork.

I would also like to thank Mr. Todd for his advice and assistance, Mr. Kipp for his guidance, and Mr. Bowman, our sponsor, for his perseverance and everlasting friendship.

Last, but not least, I would like to thank all the people and events that constitute CHCI for their inspiration.

After this lovely evening is over, I hope all those who were present will tuck away in a warm place this invitation and all the memories it stores.
